HouseCalls-MD
Advanced Beneficiary Notice (ABN) For Facilities

Presented by HouseCalls-MD to _____
(Name of patient or POA)

WHAT DO YOU NEED TO KNOW: Read this notice, so you can make an informed decision about your care. Ask us any questions that you may have after you finish reading.

NOTE: Medicare does not pay for everything, even for some of the care that you or your health care provider have good reason to think you need. We do not expect Medicare to pay for services listed below:

Trip fee: This fee compensates for our travel time, the lost income or "opportunity cost" associated with seeing patients at their home instead of the physician's office. This fee is not covered by any insurances and is due on arrival of the provider.

Scheduled visit to facility: ~~**$100**~~ **$0**
(Fee is waived for senior communities on scheduled visit days)

Unscheduled visits: ~~**$100 and up**~~ **$50 and up****

After Hours visits: ~~**$150 and up**~~ **$100 and up****
(after 4pm, weekends/Holidays)

** **Fee reduced for senior communities; fee varies based on time/nature of need****

PPD Skin testing and screening: **$45**

Teleservices: **$20 co-pay**

Please choose only one:

1) ____I want the services listed above when applicable to my care except those I crossed out. I will pay for them at the time of service because I understand that those services are not covered by Medicare or supplemental insurances.

2) ____I do not want the services listed above. I will not be billed and cannot appeal to see if Medicare would pay.

3) ____I want the services listed above when applicable to my care except those I crossed out. I will pay for them at the time of service, but I will also fill request to Medicare for an official decision on payment, which I can appeal if payment denied. If Medicare does pay, you will refund any payment I made, less co-pays or deductible

Please understand the services listed on the ABN form will only be performed at your request-by filling out the form you give us the option of performing these services. Without form on file Insurance Company will not allow us to charge for specific services which are not covered under their policy.

IMPORTANT INFORMATION REGARDING MEDICARE AND CHRONIC CARE MANAGEMENT

Dear Patient,

We enjoy and appreciate the opportunity to provide you with comprehensive primary care. Medicare has identified the care of chronic health conditions as an important goal. Chronic conditions are ongoing medical problems that must be managed effectively in a partnership between the health care team and the patient to maintain the best possible health. Examples include diabetes, high blood pressure, heart disease, depression, and others. Effective Jan. 1, 2015, federal regulations now enable Medicare to pay for chronic care management.

What is chronic care management?
Your physician and primary care team will carefully monitor and provide comprehensive care for your chronic health conditions in a systematic way to supplement regular office visit care.

How can you benefit from chronic care management?

- You will have 24/7 access to your primary care team.
- You will have preventive care services scheduled, many of which are covered by Medicare, and your medications will be closely monitored.
- You will receive a personalized, comprehensive plan of care for all of your health issues.
- Your care will be coordinated by your physician and staff, including care you may receive at other locations, such as specialists' offices, the hospital, other health care facilities, or your home.

What do you need to know before signing up?

- Understand that this care requires you to pay approximately $8 to $9 (your Medicare coinsurance amount) to your primary care practice each month that you receive chronic care management. The service is also subject to your Medicare deductible. Your secondary insurance may or may not pay for expenses.
- You must sign an agreement to receive this type of chronic care management.

Please let us know if you have questions about this new benefit or would like to receive the one-page agreement form.

Sincerely,
Dr. Stela Susac-Pavic
